

You guys! So here's the deal. Kevin Martin was supposed to come to Skatetown on August 24th and 25th. But then NBC called and said he had to be the commentator for Curling Night in America (held that same weekend in NC). Yay for him. Bummer for us.

But fortunately, we were able to move Kevin's trip to a week later, so HE'S STILL COMING! Now it follows The Crush on that Sunday night. Same format as before (1 class, then dinner, then another class). Strategy to be held on Monday at lunch.

So if you need to book your spot based on this newest information, here's your chance!

We are super excited and beyond grateful to serve as host for the Kevin Martin Academy Regional Tour to be held Sept 1st and 2nd at Skatetown Ice in Roseville, California.

In addition to bringing Gold Medalist Kevin Martin to Northern California, we are also proud to partner with Regan Birr and her organization, Lupus Research Foundation, to help raise money for lupus research and to find a cure!
