

1. Fall league is wrapping up! Our 2nd Doubles league ends on this Tuesday night. "A" and "C" end this Sunday (12/8) and then our Tuesday team league ends next Tuesday (12/10). All the rankings and final matches can be found here: <http://winecountrycurlingclub.com/leagues/>

*Special note about Sunday: Subs are needed, so if you're looking to play two draws or if you haven't curled in a while and want to get in a game before the year ends, THIS IS YOUR CHANCE. Let me know if you're in for subbing and I'll put you in touch with the teams that are looking. It's at least 4 people in "A" league and at least 3 people in "C" league.*

*Another special note about Sunday: The California International Marathon runs on Sunday, December 8th. Many road closures occur as this event starts in Folsom and runs down to the Capitol. Here are the road closures: <https://runsra.org/california-international-marathon/spectator-information/#road>*

2. We have our last corporate event on 2019 on Monday, December 16th from 9:00am to 12:30pm. It's a full group of up to 40 from Adventist Health, so please sign up here to teach: <https://www.signupgenius.com/go/20f0a4badad2aa3f94-learntocurl>

3. Winter league signups are open now! <http://winecountrycurlingclub.com/winter-league-2020/> We know it seems early, but we really want to get this organized before the holidays so that our hardworking board can take some time off! Plus we need to know if we need to give some ice back to Skatetown so pre-planning is necessary. We'll keep registration open until 12/15 so if you are intending to curl with us, sign up soon!

4. Cyber Monday is upon us so if you're doing your shopping on Amazon, make sure you designate us as your charity of choice! You can register here: <http://smile.amazon.com/ch/26-2884041> and then when you start your shopping, make sure your browser "starts with a smile" at smile.amazon.com so that all your purchases count.

5. Granite Curling Club of California's Annual Christmas Bonspiel will be on Friday, December 27th at Oak Park Ice Arena in Stockton. This is a fun event with a potluck and a chance to spend the afternoon/evening with other NoCal curlers. The ice is wonky and the rink is cold but the camaraderie is the real draw. It's from noon to 8:00pm. Let me know if you're interested and we'll start forming some WCCC teams.

6. Want to experience TIMING from the point-of-view of the timer's chair? Lake Tahoe Epic Curling is looking for some volunteers to help out with timing at next weekend's MoPac Club Nationals Playdowns at the new facility in South Lake Tahoe. If you're able to be in South Lake Tahoe on Friday (12/6) or Saturday (12/7) and you want to see how timing works (it's easy to learn), let Edie know at [info@tahoecurling.com](mailto:info@tahoecurling.com). Timing a game gives a much different perspective to curling that one should see to experience. Timing volunteers will also get some ice time on the dedicated ice!
