

1. Please note that many of our ice crew members and Sunday setter-uppers are not going to be at league tomorrow (Sunday) to help set up the ice. Therefore, we need a lot of people to show up and help move stones to the ice. We need a mopper and a nipper. We need people to put out the scoreboards. We need brooms and grippers off the shelves. There is lots to do! Many hands make light work so please show up at 7:00am as we start prepping the ice and getting ready for 4 hours of Sunday curling. Not sure what to do? Show up and we'll put you to work! Elves do not do the prep for us! It's a dedicated group of early risers working hard from 7:00am to 7:45am!

2. And where are many of those ice crew members and Sunday setter-uppers? Well, they are at LTEC curling in the WCCC Men's Arenas Playdowns. Good curling to Team Jones (Jeff Jones, Todd Krein, Randy Cohen, Nick Graf), Team Markowski (David Markowski, Bob Seyfried, Dan Stefani, Mike Kozlowski), and Team Spangler (Camren Spangler, Chris Hillman, David Betts, Brian Feldman). The winner of this event goes on to represent WCCC at the Arena Nationals in Gillette, Wyoming in late April.

3. Also traveling and out this weekend: the best dressed team (Tony Kelly, Josh Bally, Mike McCarthy, Rob Shelton) at the Sawtooth Outdoor Bonspiel in Stanley, Idaho. Head over to our Facebook group to see their picture. Junior Feldman is also curling in the Mixed MoPac Playdowns.

4. Save the date for this year's Woodland Celtic Games & Festival. We will have our curling booth at the festival on April 25th and April 26th. Looks for sign ups soon! This is one of our favorite club promoting events because the people are so great, there are so many things to look at, and our booth is usually close to the beer booth!

5. Have you signed up yor team for this year's Barrel Bonspiel yet? Are you looking to form a team? Broomstacking after league is always a good way to find a team. Put yourself out there and get yourself signed up! Sign up here: <http://winecountrycurlingclub.com/barrel-2020/>

6. LEARN-TO-CURL INSTRUCTORS ALWAYS NEEDED. Give back and teach this new batch of curlers. Show them a good time so that they join our club. They are just like you used to be -- learning from current players! Spread your love and knowledge of curling! Sign up here: <https://www.signupgenius.com/go/20f0a4badad2aa3f94-learntocurl>

7. Sign up to work the booth at the Fitness Expo on February 22nd at Cal Expo. This event is one-day and is a great way to promote our club and the sport of curling in Northern California. Attendees get free entrance into the event. Sign up here: <https://www.signupgenius.com/go/20f0a4badad2aa3f94-wccc1>

8. There are 10 regions within United States Curling. WCCC is part of the Mountain Pacific Curling Region (MoPac) and we are 1 of 19 clubs in our region. Sonia Montero is one of our club members and she is president of MoPac. There are currently looking to fill two positions (treasurer and competitions chair) within that board in the next few months and we thought we'd share it with our members to see if anyone is interested. If you are interested, please contact David Betts (our MoPac rep) at david@winecountrycurlingclub.com or Sonia Montero at mopacca.president@gmail.com.
