
Hello E-Curling friends!

Tibz and I want to first say thank you to everyone for making this so enjoyable and successful! We had a blast and hope you all did as well.

As you know, we finished up our first WCCC E-League on Sunday with some amazing games. Ryno15ssu (aka Ryan Smith) defeated Ne_Ro2001 (aka Nelson Rogers) in a nail bitter game to clinch the first ever E-League champion position! andy.carle took the B bracket title against Hammertime31 and Sampson defeated Light-Handel to take the C bracket. All the games were a blast to watch especially sharing it with many of you on Katie's Zoom party channel. Below are the final top 12 rankings and we may post them on our web site as well for the rest of the club to check out. Katie is also finishing up the E-League trophy which we will present to Ryno once we are able to meet face to face again.
