

# Enjoy the Gift of Curling!

You have been registered for a learn to curl class.

I hope you are ready to slide, sweep, and scream your way to a great experience. You will get a quick off-ice briefing where you will learn a little about the history of curling, the special terms we use, and the basics of the game. Then you will spend 2 hours on the ice learning how to deliver the rocks and sweep before playing in your very first real curling match. We can't wait to see you on the ice!
